To: Regional Foresters; Station Directors; Area Director; State Foresters;
Bureau Chiefs, Department of the Interior; and Executive Director,
Canadian Forestry Association

CONSOLIDATED ORDERS DUE IN WASHINGTON, D.C., AUGUST 24

Enclosed is the 1991 Smokey Bear Campaign Catalog and order form for Cooperative Forest Fire Prevention (CFFP) materials. **For the first time, several popular items will be offered year-round. These items include: "I Love Smokey Bear" Bumper Strip, Lapel Pin/Bookmark, Balloons, and Environmentally Biodegradable Litter Bags.** Materials may be mailed directly to the National Forests, Regions, Area, or States indicated on your order.

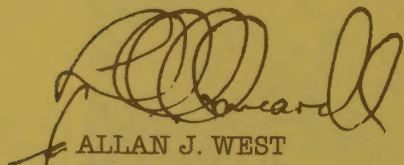

Consolidated orders for Region 9 will include National Forests only. Orders for the States in R-9 will be consolidated by the Northeastern Area. All other Regions will consolidate orders for National Forests and States. States should forward orders to the appropriate Region or Area office.

All Regions should use the software package for transmitting Smokey Bear orders via Data General. Handwritten orders will not be accepted and orders will not be shipped to P.O. boxes. Remember, total quantities are shown as number of standard packs. List the item, item number, number of standard packs, and freight address on a separate form for every item ordered.

You will be notified if there is difficulty in obtaining items from vendors. Prices quoted herein are the best estimates of break-even costs and include prepaid delivery charges. Materials ordered should be obligated against FY '91 funds. The WO will request transfer of the full amount obligated early in FY '91. If you have questions, contact Tara Owens (202 or FTS) 453-9510.

This catalog lists authorized licensees and the products manufactured for promotional materials needed in fire prevention activities.

The 1991 National Association of State Forester (NASF) Catalog will be sent directly to State forestry offices. That Catalog contains some of the same items found in the CFFP Campaign Catalog. States may order directly from NASF. Federal regulations prohibit purchasing from NASF by Federal agencies.

Remember -
Only you can
**PREVENT
FOREST FIRES!**

Dear Friend:

For over 46 years, people like you have worked hard to help me prevent forest fires. We have done well together, but we can do even more in 1991.

This guide describes the materials prepared for my 1991 campaign. Some of the items have been around for many years, others are new.

With the rising cost of printing, it may be tough to finance the stocks we need to cover all the opportunities we have to push forest fire prevention. Please think about your own opportunities and problems and order the items that will best meet your needs.

Not included in this campaign guide are the "mass media" materials for radio, television, newspapers, outdoor and transit advertising, and magazines. These are distributed directly to the media by the Advertising Council. The media donate their time and space to forest fires prevention. This support has helped make the program the success it is today.

The key people in my campaign are people like you who want to help.

REMEMBER . . . ONLY YOU CAN PREVENT FOREST FIRES!

Your Friend
